Ref.No: Note-2022-562

Secretariat of the Organization of Turkic States (OTS) presents its compliments to the Ministries of Foreign Affairs of the Member and Observer States and with reference to its Note No: 2022-452, dated 16 June 2022, has the honour to communicate the following.

The Turkic Business Forum devoted to the restoration and green development of the Karabakh region of the Republic of Azerbaijan will be organized on **16 September 2022 in Shusha city**.

The year “2022” is the 270th anniversary of Shusha city. Taking into account this glorious history and in order to accelerate the restoration of Shusha, the President of the Republic of Azerbaijan, H.E. Ilham Aliyev declared this year as the “Year of Shusha”. As is known, this is a key city in the Karabakh region due to its geographical location and historical significance as one of the major cultural, economic, and administrative centers of Azerbaijan.

The suggested priority sectors for the Business Forum are determined as construction, agriculture and food, renewable energy, light industry (*textile, machinery, spare parts and etc.*), tourism, mining and information technology.

In this regard, the Secretariat kindly requests the Members of the Turkic Chamber of Commerce and Industry (TCCI) to ensure the participation of their business people operating in the abovementioned sectors in the Forum and provide their lists (*including the name of company, sector, flight schedule and copy of passports*) to the Secretariat **no later than 5 September 2022**. The draft program of the event is enclosed herewith.

The Secretariat avails itself of this opportunity to renew to the Ministries the assurances of its highest consideration.
